"To know Christ better and to make Him better known"

SEPTEMBER 10, 2017

Come the end of summer, we need "a renewal of energy" when it comes to spiritual matters. It's hard to renew your energy on your own. But it's much easier in a group. That's why we set aside one special day at the end of the summer to "rally" - to "draw together for a common purpose" seeking the Holy Spirit's power to "renew our energy" for worship, for digging into God's Word, for praying, for serving, and for witnessing.
